### KEY SKILLS

AutoCAD - SketchUp - Enscape - InDesign - Photoshop - Canva

Mood Boards - Space Planning - FFE & Material Selection - ADA Familiarity

### CAREER OBJECTIVE

I am a recent Interior Design graduate with a strong knowledge of space planning, AutoCAD, 3D rendering, creating mood boards, and FF&E selections. I am passionate about creating functional and aesthetic interiors, with experience in organizing presentations and collaborating effectively in team environments. Currently seeking a junior interior designer role where I can contribute my creativity, technical skills, and a keen eye for attention to detail on design projects.

### WORK EXPERIENCE

Internship June 2025 - Present  
EP INTERIOR

- Assist with design concepts
